

NEW YORK, October 17, 2005, – An investor group consisting of Argosy Partners, GMB Mezzanine, BIA Digital, MTN Capital Partners LLC (“MTN Capital”) and Management have acquired Sound Lounge LLC (“Sound Lounge,” or the “Company”). Sound Lounge is the leading audio post-production company in the United States providing sound mixing services for television and radio commercials, and feature films.

The Company’s owners will maintain a meaningful economic interest and will continue to manage the business. MTN has formed a strong board to grow the company. In addition to an MTN partner, the board includes a former senior advertising executive and successful entrepreneur, and a media specialist.

MTN Capital is a private equity firm that focuses on middle market companies. MTN has extensive experience investing in companies in a variety of industries and works on bringing both the capital as well as the operational resources needed to achieve successful investments.
