

## For Immediate Release

### **MTN Capital Partners Hires Terrance Kennedy as Director of Business Development**

**New York, NY | January 17, 2019:** MTN Capital Partners Co-Founder, Olivier Trouveroy, announced today that Terrance Kennedy has joined the firm as Director of Business Development. In this role, Terrance will be responsible for sourcing potential investment opportunities from investment banks and other intermediaries as well as MTN Capital's proprietary group of senior executives.

Terrance was previously a Senior Associate on the Private Equity Research team at Gerson Lehrman Group (GLG) where he managed the recruitment of industry experts as well as assisting several of GLG's largest Private Equity clients with their due diligence project work. Prior to that, Terrance worked on new business development at GLG.

Terrance received his BS in Political Science from the University of Pennsylvania where he was Captain of the Division I Men's Varsity Lacrosse Team.

MTN Capital Partners is a generalist private equity firm focused on companies in the lower end of the middle market with EBITDA between \$2 million and \$15 million. MTN has extensive experience in working with talented management teams to grow middle-market companies. MTN brings both the capital and the operational resources needed to achieve success. MTN's portfolio companies operate in the franchise, industrial motors, media services, and retail display industries.
