

PRESS RELEASE

MTN Transactions: Acquisition of The Orthotics Group and of Langer, Inc.

In September 2008, an investment group comprised of PNC Equity Partners, MTN Capital Partners (“MTN”) and the management of The Orthotic Group, Inc. (“TOG”) acquired TOG from its founder. Bank of Montreal provided the senior debt. TOG is the largest Canadian manufacturer of prescription orthotics and orthotic footwear and does business in North America, Europe and Australia. TOG’s new Chief Executive Officer is Mr. Bruce Marrison, a 12 year company veteran who has been responsible for the company’s impressive growth.

In October 2008, TOG acquired Langer, Inc., the third largest orthotics manufacturer in the United States who also has a presence in Canada. The combined entity is the second largest orthotics manufacturer in North America.

MTN identified the TOG and Langer acquisition opportunities in partnership with Mr. Jason Kraus, a former top executive with Langer and a recognized orthotics industry leader.
